WASHREIT SIGNS 51,000 SF TENANT AT WATERGATE 600

Washington, DC, March 11, 2019 — WashREIT (NYSE: WRE), a leading owner of commercial and multifamily properties in the Washington, DC, area, has executed a 51,000 square foot lease for the top two floors of Watergate 600 in Washington, DC. The tenant, a leading global energy and infrastructure capital provider, expects to occupy one-sixth of the 12-story iconic office building at 600 New Hampshire Avenue Northwest in January 2020, for a term of 17 years and 8 months.

WashREIT acquired the asset in 2017 for approximately \$437 per square foot and recently completed an extensive renovation of the building's entryway, lobby, elevators and common areas.

"We are pleased to have created value at Watergate 600 by effectively repositioning this iconic asset and re-leasing the majority of its availability ahead of schedule and at rents that are better than our underwriting," said Paul McDermott, President and Chief Executive Officer of WashREIT. "By executing this lease, we expect to significantly strengthen our same-store NOI in 2020 and beyond and to stabilize the asset, which has a negligible amount of annual lease expirations until 2026."

One of Washington's most recognizable business addresses, Watergate 600 encompasses 300,000 square feet of premier office space adjacent to the Kennedy Center and steps away from the Foggy Bottom Metro station.
